Who ELLE Follows on Social Media

By Alicia Waite & Gillian Brett Posted: Saturday 03 November 2012

We've rounded up the most inspirational, style-savvy, quick-witted, off-beat and generally perve-worthy peeps on the fashion blogosphere. From **Twitter** to Tumblr and Instagram to Pinterest, this set of web wizards are well worth a click.

Who? London-based jewellery nut Beanie Major and her photographer boyfriend Harry Cresswell
Where? [www.indtl.com /](http://www.indtl.com/) [@InDetailBlog /](https://www.instagram.com/indetailblog/) [indetailblog](https://www.instagram.com/indetailblog/)
Why we love her? Beanie's blog focuses purely on accessories with beautiful street style snaps, celebrity jewellery box invasions and new brand breakdowns - perfect for magpies and nosey parkers.
Typical tweet: *'Been practising the art of balancing a cocktail, a burger and a beautiful ring @econc_jewellery tonight. #hardwork'*
